It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31st July 2021** at the latest.

**** In the case of any under-spend from 2019/20 which has been carried over this must be used and published by 31st March 2021.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2022:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> -Wider range of sports being offered -More rigorous PE assessment being adopted -Planning and progressions stronger with the adoption of the PE Primary Passport -All children receiving at least two hours of quality PE -School accessing competitions both locally and at Trust level. 	<ul style="list-style-type: none"> -Ensure temporary PE lead is given the time to get up to speed with PE -Introduce a wider range of after school clubs

Meeting national curriculum requirements for swimming and water safety.	
N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022.	41%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	74%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	32%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
